

Sobeys Gift Certificates Fundraiser

How it works: DCSC families buy gift certificates for their grocery shopping needs and receive a 5% discount applied to the family's DCSC fundraising account. It's a very easy way to fundraise - we all need groceries and they make great gifts too!

Sobeys Gift Certificate Purchase / month	Fundraising credit	Season total Sobeys Fundraising credit (10 months)
\$500	\$25	\$250
\$1000	\$50	\$500
\$1500	\$75	\$750

Post-dated cheques are required from participating families. Cheques are dated for the beginning of the month (Oct. 1, Nov. 1, Dec. 1, etc). Cheques **MUST BE** dropped off at the DCSC office (attn: Donna Gillespie) by the 15th of each month. Many families choose to give post-dated cheques for the entire season (in September).

Sobeys Gift certificates can also be used for:

- Gift cards for many local stores (purchased in Sobeys and great for birthday gifts)
- Gas - *Sobeys Fast Fuel Stations*
- Pharmacy purchases - *Lawton's*
- Odds and Ends – *Needs*
- Groceries in other provinces - *Price Chopper* and *Foodland Stores*

Note: Customers must spend a minimum 10% of face value of the gift certificate to redeem. There is usually not a problem doing this at Sobeys stores, but occasionally Lawton's will not honour this and requires the full amount to be spent.
